Government Leases. WE have made inquiry in the proper quarter

"Money makes the mare go," and so does it difficulties between the government and indimake the press go. We have to pay cash for viduals respecting property belonging to the everything, and want cash to keep the thing former. In the first place, it is well to premise that many persons who manifest a desire to erect buildings for business purposes on government property, object to laying out French Bark Auguste, large sums of money in erecting fire-proof buildings on leased property, because, they say, that at the end of their lease the government would become the owner of the buildings, and they would lose their investment. This would be true if the government desired to drive a hard bargain with the lessees; but we are authorized to say that such is not the Chests of extra, medium, and common Teas, fact. On the contrary, the Minister of the Camptor Wood Tranks, Round Tables and Deaks, Rattan Chairs and Couches, of all kinds. Interior is quite willing-yea, anxious, to afford all reasonable facilities to any and all Base Figured Sixs. Figured and Fain Sauns. persons desirous of building upon the lots in Silk Banders, Nackreus, Slippers, Shell Buttons the burnt district or elsewhere in Honolulu; long terms-say, for fifteen or twenty years, JAPANESE WARE for building sites for business purposes, provided that the lessees will put up fire-proof Handkerchlef Boxes, Trays, Fan and Card Boxes, etc. buildings. In order to induce persons to do Fire Crackers, Bamboo Bankets and ware this, the government will covenant in the 10 sets Bice Mills and Fanning Mills, leases to guant long terms as above stated with provision to graduate the word, with provision to graduate the rental: that is, soo targe square Chinese Tues and 100 pieces of Tile-way to add a reasonable per centage of increase at 1000 galls Peanut oil, 13,000 fine Manilla Cigars, the end of each five years, such as may be agreed upon; and at the end or expiration of each lease the government will agree to take the buildings at a fair valuation in cash, or continue the term of the lease as may be desired. This we consider a fair and very reamemorated by our people wifh becoming re- somable proposition, and one that can work no order to testify their appreciation of a century | should induce those having money to invest with all its mutations, whether for good or We repeat that the government is fully aware otherwise in the history of the race. At 3 of the mutual advantages of such terms to our o'clock p. m. upwards of three hundred officers citizens or others who may feel like investing and men landed from H. I. German Majesty's | capital in paying enterprises; and while it is instruction. His Majesty the King, the Queen, encourage enterprise and industry for the detheir Royal Highnesses the Princesses Lydia veloyment of manufacturing and commercial Kamakaeh and Mirima Likelike; a number objects, in a spirit of liberality and fairness of the high dignitaries of the Government, to all concerned. We hope this explanation movements with admirable skill and precision. | cannot but commend the desire manifested by and two sections of a field battery. The exer- covered with fire-proof buildings, as well as cises consisted chiefly of regimental field the lots on the Esplanade, in the rear of the in which the troops went through all the eve- ward of the government wharf; and thus avoid lutions necessary to illustrate an actual en- the recurrence of such a disaster as the fire of Foreign News.

In our issue of last week we gave as full an account of the Turko-Russian war as our space would allow. Our eastern exchanges Postrict of Him-Court House is Hills, School-house, and handsomely. At night the native popular received by last steamer from San Francisco, Douglet of Hamakun-Court House in Washie, School- lation assembled at the Kameakopele Church, are full of details of the movements of the Descript of Konda -Cent House, Walnes, and Court where an address in Hawaiian was delivered belligerent armies on the theatre of the bloody where an address in Hawaiian was delivered by Mr. J. Wahineaua to a large and appreciative audience, and the day's doings were wound up with a torch-light procession, which this late date. In another week or ton days wound up with a torch light procession, which this late date.
